2023 BQA DAIRY FARM AWARD PROGRAM

FUNDED IN PART BY THE BEEF CHECKOFF.

BUILDING CONSUMER CONFIDENCE

By focusing the producer's attention to daily production practices that influence the safety and quality of beef through the use of science, research and education initiative, the Beef Quality Assurance (BQA) program strives to maximize consumer confidence in and acceptance of beef.

The National Beef Quality Assurance Awards recognize outstanding members of the beef industry in five categories: Cow-Calf, Feedyard, Dairy, Marketer, and Educator. The National BQA Awards are selected by a committee of BQA certified representatives from universities, state beef councils, sponsors, and affiliated groups. Nominations are submitted by organizations, groups or individuals on behalf of a U.S. beef producer, dairy beef producer, marketer or educator.

The National BQA Awards are funded in part by The Beef Checkoff program with additional financial support provided by Cargill Meat Solutions.
